Wyoming State Geological Survey  
*Hazards, Mapping, And Water Resources Division*  
Landslide Reporting Form

Please mail to:  
Wyoming State Geological Survey  
Attn: Seth Wittke  
P.O. Box 1347  
Laramie, WY 82073

Date of occurrence: ____________________

Landslide reported by (your name): __________________________________________

Phone: _____________________________  Email: ________________________________

Landslide location: __________________________________________________________

____________________________________________________________________________

**Helpful Information**

Fill out the appropriate land survey or coordinates. If an address or coordinates cannot be provided, a detailed description of the landslide location is appreciated.

**U.S. Public Land Survey System**

<table>
<thead>
<tr>
<th>Topo Map/Quadrangle</th>
<th>Township</th>
<th>Range</th>
<th>Section</th>
</tr>
</thead>
</table>

*Please specify the sections quarters (i.e. SE1/4, SW1/4, SE1/4, SE1/4)*

**Coordinates:**

**Degrees, Minutes and Seconds**

<table>
<thead>
<tr>
<th>Latitude</th>
<th>Longitude</th>
</tr>
</thead>
</table>

**Decimal Degrees**

<table>
<thead>
<tr>
<th>Latitude</th>
<th>Longitude</th>
</tr>
</thead>
</table>

**Universal Transverse Mercator System (UTM)**

<table>
<thead>
<tr>
<th>Easting</th>
<th>Northing</th>
</tr>
</thead>
</table>

*Important note: Please be extremely cautious as landslides can create difficult terrain. Don’t put yourself in danger to gather a GPS location on the landslide.*
