**Bibliography of Graduate Theses and Dissertations**  
**on the Geology of Wyoming - through 1966**  
**(exclusive of the University of Wyoming)**

The following pages contain a relatively complete list of theses and dissertations compiled from various sources, including the Bibliography of Theses, written for advanced degrees in geology and related sciences at the universities and colleges in the United States and Canada through 1957 by John Chronic and Halka Chronic (1958), Bibliography of Theses in Geology 1958 - 1963, by John Chronic and Halka Chronic (1964), Geoscience Abstracts Vol. 7, No. 12, Part I, December 1965, by Dederick C. Ward, A.G.I., Bibliography of Theses in Geology 1965-1966, by Dederick C. Ward and T.C. O'Callaghan (1969), A.G.I.

The Wyoming Geological Survey would appreciate knowing of additional theses or dissertations that are not included in this tabulation.
