

Wyoming State Geologists

*Geology—interpreting the past
to provide for the future.*

Some of the men who served as State or Territorial Geologists since the office was created in 1881: (1) Gary B. Glass, 1981-Present; (2) Samuel H. Knight, 1933-1941; (3) Donald L. Blackstone, Jr., 1967-1969; (4) Loyal W. Trumbull, 1913-1919; (5) Daniel N. Miller, Jr., 1969-1981; (6) Wilbur C. Knight, 1897-1901; (7) Frederick J. Stanton (first Territorial Geologist), 1881-1882; (8) Horace D. Thomas, 1941-1967; and (9) Henry C. Beeler, 1901-1908. For more on this colorful chapter in Wyoming's history, see Geological Survey of Wyoming Bulletin 65, 1986.
