MINERAL REPORT MR96-1

MINERAL REPORTS AVAILABLE FROM THE WYOMING STATE GEOLOGICAL SURVEY

Mineral Reports are principally unedited field reports which may contain assay reports, sample locations, maps, and in some cases hand written reports.

The reports can be ordered from the Wyoming State Geological Survey, P.O. Box 3008, University Station, Laramie, WY 82071 (phone: 307/766-2286)(E-mail dan_hausel@wsgs.uwyo.edu). The cost of the reports is \$0.15 per page plus \$3.00 for any accompanying geologic map.
