CROSS SECTIONS AND

**NOTICE TO USERS OF INFORMATION FROM THE
WYOMING STATE GEOLOGICAL SURVEY**

WGSSES recognizes the fair use of its material. We request that credit be expressly given to the "Wyoming State Geological Survey" when citing information from publications. Please contact the WGSSES at 307-767-2626, ext. 224, or by email at publicinfo@wgs.wyo.gov if you have questions about citing materials, preparing publications, or extension use of this material. We appreciate your cooperation and understanding.

Individuals with disabilities who require an alternative form of this public information should contact the WGSSES. For TTY only, contact call 307-767-2626, ext. 224. For voice, contact call 307-767-2626, ext. 224, or email publicinfo@wgs.wyo.gov.

**NOTICE FOR OPEN FILE REPORTS PUBLISHED
BY THE WGSSES**

This WGSSES Open File Report has not been technically reviewed or edited for conformity with WGSSES standards of Federal Geological Data Committee digital cartographic standards. Open File Reports are preliminary and usually require additional fieldwork, analysis and compilation and analysis. They are issued in a form that is not intended for publication. The WGSSES does not intend to disseminate information for public consumption and review. The WGSSES welcomes any comments, suggestions, and contributions from users of the information.
